## Who is PrEP for?

**PrEP is for anyone who wants to prevent HIV.  
It's as easy as taking one pill a day.**

If you answer yes to any of these statements, PrEP might be a good choice for you.

- I have sex with multiple partners or people I don't know.
- I do not use condoms, or only sometimes.
- I have had a sexually transmitted infection (STI) in the last 12 months.
- Me or my sexual partners inject drugs.
- I have at least one sexual partner who is a man who has sex with men.
- I have a sexual partner(s) who is living with HIV and who does not regularly take their HIV meds.
